Entertain in the large, professionally designed kitchen. The open concept design allows conversation to flow, while the high island hides the chef's mess.

Enjoy your coffee from the cozy breakfast nook overlooking the private gardens.

Every feature has been thought out. This home is designed with entertaining in mind. The spacious dining area offers ample room for formal dinner parties.

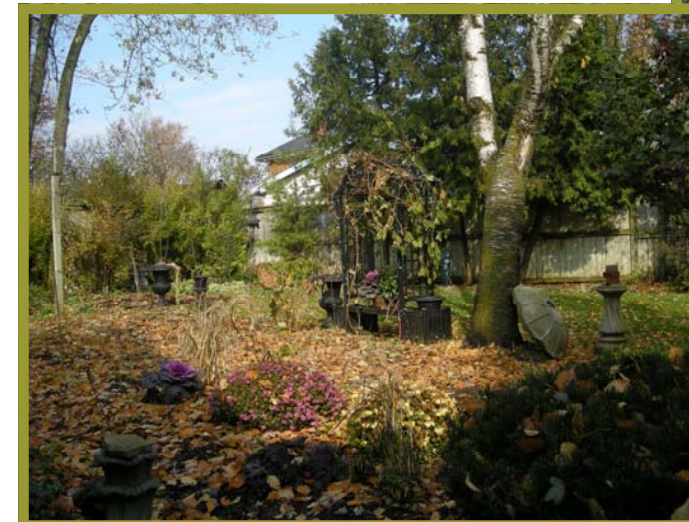

Floor to ceiling terrace doors open overlook beautiful gardens.

The large living room features dramatic windows, and wood-burning fireplace. The perfect combination for formal entertaining and comfortable living.

Relax in the mature, private gardens that have been professionally landscaped and maintained.

A covered portico offers the perfect outdoor dining area to entertain guests.
